

Program

The 7th International Symposium
Phoenix Leader Education Program (Hiroshima Initiative) for
Renaissance from Radiation Disaster

Challenges and Prospects of Radiation Disaster Recovery Studies
- Implementation of Transdisciplinary Approach -

【Day 1】 Saturday, January 27th (*Koujin Kaikan Conference Hall*)

(Lobby: 1st & 2nd floor)

14:00 Poster Presentation (Student Research Presentation)

(Main Conference Room: 2nd floor)

14:30 **Opening Remarks**

Kenji Kamiya (Vice President of Hiroshima University, Director of Phoenix
Leader Education Program)

14:40 **Keynote Lecture (Chair: Kenji Kamiya)**

*Lessons Learned on the Transdisciplinary Approach Implemented for Managing
the Fukushima Accident: A European Perspective*

Thierry Schneider (Director of CEPN)

Session 1: Environmental Impact and Challenge (Chair: TBD)

15:15 *Footsteps with the Local People from Mountain Lakes of Radioactive Pollution to
Beautifully Rich Lake Ecosystems*

Seiichi Nohara (Leader, Center for Environmental Biology and Ecosystem, National
Institute for Environmental Studies)

15:40 Yuichi Onda (Chief Administrator of Center for Research in Isotopes and
Environmental Dynamics Tsukuba University)

16:05 Break

Session 2: Round Table (Chair: Dr. Jacques Lochard (ICRP) & Dr. Toshinori Okuda (HU))

16:20 Ryoko Ando (Representative of Ethos in Fukushima)
Yuzo Mampuku (National Agriculture and Food Research Organization (NARO))
Ahmed Meghzi (International Atomic Emergency Agency (IAEA))
Seiichi Nohara
Yuichi Onda
Thierry Schneider
Tetsuo Yasutaka (National Institute of Advanced Industrial Science and Technology (AIST))

(Lobby: 1st & 2nd floor)

17:20 Poster Presentation (Student Research Presentation)

(Medium Conference Room: 1st Floor)

18:30-20:00 Reception Party

【Day 2】 Sunday, January 28th (*Koujin Kaikan Conference Hall*)

(Main Conference Room: 2nd floor)

- 10:00 Opening
 Kenji Kamiya
- 10:10 **Special Lecture (Chair: Satoru Nakashima(HU))**
Latest ICRP Developments on Recovery following a Major Nuclear Accident: Lessons from Fukushima
Christopher Clement (Scientific Secretary of International Commission on Radiological Protection (ICRP))

Session 3: Health Impact and Challenge (Chair: Dr. Shinya Matsuura(HU))

- 10:45 **Keynote Lecture (Chair: TBD)**
Elisabeth Cardis (Head of Radiation Program, Barcelona Institute of Global Health (ISGlobal))
- 11:20 Tom Hei (Prof. and Vice-Chair of Radiation Oncology at Columbia University)
- 11:45 Break
- 11:55 ***Psychological Consequences of Fukushima People: Current Issues and Future Directions***
Masaharu Maeda (Prof. of Fukushima Medical University)
- 12:20 Akira Ohtsuru (Prof. of Fukushima Medical University)
- 12:45-14:00 Lunch Break (Group Photograph)
 Poster Presentation (Student Research Presentation)

Session 4: Social Impact and Challenge (Chair: Dr. Kiriko Sakata(HU))

- 14:00 **Keynote Lecture (Chair: Yukio Urabe (HU))**
Kai Vetter (Prof. of University of California, Berkeley / Director of Institute for Resilient Communities, Lawrence Berkeley National Laboratory)

14:35 ***Current Situation and Challenges in Fukushima***
Hiroshi Kainuma (Associate Prof. of Ritsumeikan University)

15:00 ***Current Psychological Effect of the Nuclear Power Plant Accident: Comparative Analysis of the Data Five Years after the Nuclear Accident at Fukushima and Thirty Years after the Accident of Chernobyl***
Yuji Tsutsui (Prof. of Fukushima University)

15:25 Break

Session 5: Structured Dialogue (Chair: Dr. Jacques Lochard & Dr. Tsunekazu Toda (HU))

15:40 *Commentators:*
Ryoko Ando
Tateo Arimoto (Prof. of National Graduate Institute for Policy Studies (GRIPS))
Yuzo Mampuku
Motoyuki Yamada (Nuclear Waste Management Organization of Japan (NUMO))

Panelists:
Masaharu Maeda
Akira Ohtsuru
Hiroshi Kainuma
Yuji Tsutsui
Christopher Clement
Kai Vetter
Tom Hei
Elisabeth Cardis
Thierry Schneider

17:40-17:50 **Poster Award Ceremony**
Closing Remarks
Kenji Kamiya
